Sir,

Sub: Industries - Sericulture - Government Silk Filatures, Kollegal - Duplicator - Supply of - Sanction - Requesting.

The General Manager, Govt. Silk Filature Kollegal reports that since the silk has been released for civilian consumption, a number of letters to parties who are permit Holders of silk, circular letters to firms, tender notices etc. have to be typed and that the typist is not able to cope up with the work. A duplicator or a cyclostyle machine will be of much use to take a number of copies at the least possible time. As there is only

one typist in the Government Silk Filature, he has not been able to attend to this work in addition to the normal typing work relating to the Government Silk Filature. A duplicator is a real necessity for the concern I request therefore that Government may be pleased to authorise the Superintendent of Stationery, Madras to supply one Gestetner Duplicator for use in the Govt. Silk Filature, Kollegal.
